# Read

Frosty the Snowman
was a jolly happy soul.
With a corn cob pipe and a button nose,
And two eyes made out of coal.

Frosty the Snowman
Is a fairytale they say.
He was made of snow,
But the children know,
How he came to life one day.

There must have been some magic
In that old top hat they found,
For when they placed it on his head,
He began to dance around.

Oh, Frosty the Snowman
Was alive as he could be.
And the children say
He could laugh and play.
Just the same as you and me.
