RAMADAN SONG

+

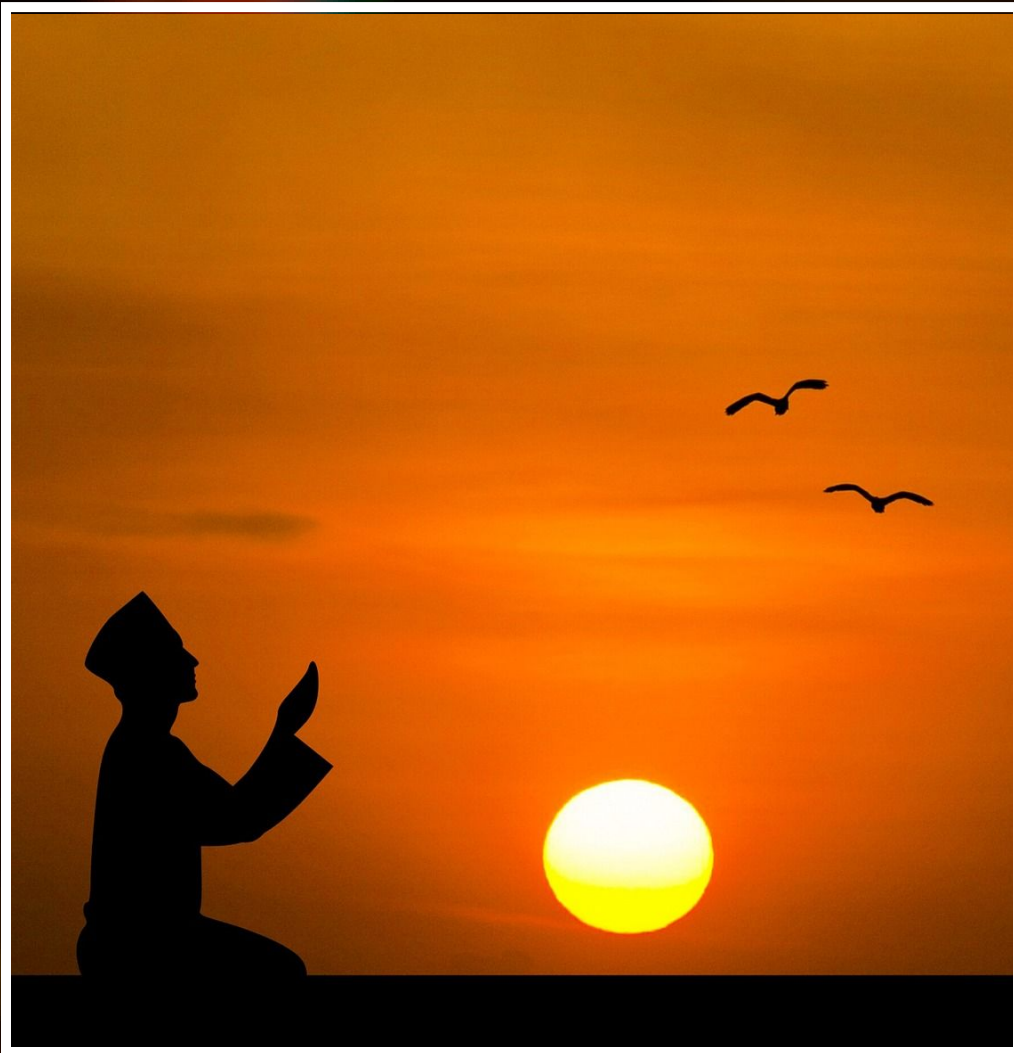

To the tune of 'I've Been Working on the Railroad'

I've been fasting in Ramadan, all the live-long day,
I've been praying and being kind, in every single way,
I've been reading the Quran, with joy and lots of glee,
And I'm learning how to be, the best I can be.

Ramadan, Ramadan, the month of peace and love,
Ramadan, Ramadan, it's from Allah from above.

The background features a warm, golden glow with several strings of small, hanging lanterns at the top. In the foreground, a large, ornate lantern with a dark frame and intricate cutouts is visible, casting a soft light. The overall aesthetic is traditional and festive.

Frisk and dance, it's time to play,
Drums beat fast, come join the fray.
Brisk breeze blows, the sun shines bright,
Trains and cars speed off in sight.
Crabs crawl, the waves crash and roar,
Fun day out, forever more.
